Brother PT550 Printer Review Expert review of the Brother PT550 printer Our Verdict The Brother PT550 is a desktop label printer with a large QWERTY keyboard. Overall, this label maker is a wellrounded machine with a number of useful features, such as an automatic tape cutter, barcode printing and the ability to print text either vertically or horizontally. It is useful for offices, the home or commercial applications. Design The automatic tape cutter is ideal for creating labels. The Brother PT550 has the ability to print barcodes, which is ideal for applications such as inventory processing. This printer can also conveniently print either vertical or horizontal text. You can produce labels with up to seven lines of text. The labelling machine can handle a range of tape sizes, from six millimetres up to a maximum of 36 millimetres. It can produce text in a variety of languages, such as French, Spanish, English and Portuguese. The printer has a number of inbuilt fonts and font sizes, and you can also choose from a variety of font styles, including Shadow, Solid, Italic, Bold and Striped. This enables you to create a range of stunning, highquality labels. This model is also capable of a range of special effects, such as vertical printing, mirror printing and text insert.

To make reprinting easy, the printer can copy up to 99 labels. It comes with a rubber stamp kit. Its large QWERTY keyboard makes entering text an easy process.
